On the 30th December, at Mount Elliott, Jarrow,  
Aber, the dearly loved wife of SMITH Atkinson,  
aged 22 years.

The Daily Press.

HONGKONG, JANUARY 3RD, 1894.

The silk or Empress of India was delivered  
in New York on the 30th December.

H.M.S. *Porpoise* arrived at Mowbray from the  
Postoffice. The Archer left yesterday for Singa-  
pore.

The steamer *Ararat* appears from Calcutta,  
left Singapore for this port on Saturday, the  
30th ult., at 3 p.m.

Three inches of snow fell at Tientsin on  
Christmas day. A prosperous year is accord-  
ingly anticipated by the farmers.

The P. M. steamer *City of Rio de Janeiro*,  
with mails, &c., left San Francisco for the port  
via Yokohama on the 30th ult.

The *Empress of Japan* arrived at Nagasaki  
on Monday and left again at 4 p.m. for  
Vancouver via Kobe and Yokohama.

The P. & O. steamer *Therion* left Singapore  
for this port on the 1st ult. at 3 p.m. The  
Carter left Bombay on the 30th ult.

The P. M. steamer *Peru*, with mails, &c.,  
from San Francisco to the 30th ult., has arrived  
at Yokohama, and left for this port on the 1st  
inst.

The English mail was signified from the Post  
early yesterday morning, but it transpired that a  
mistaken reading, as happened not long  
ago, in the case of the French mail, had the  
signals having mistakes. The *Robotia*, from Shang-  
hai, came in by the night mail, and the caravans  
for the *Thames* with the outward mail.

People living at Nanking are being forced to  
eat satisfied with a vegetarian diet at present.  
The *N. C. Daily News* says, owing to the absence  
of meat, the Chinese are compelled to eat  
cabbages, cabbages, and pickles without  
being slaughtered, but as the gods are still  
present, the Vicerey has now decreed that no  
fish, crabs, or shrimps shall be caught or eaten  
until the clerk of the weather shall change his  
present frame of mind.

The Northern Territory Times says:—It is  
not improbable that before the end of A. S. S.  
Company and Chit Navigation Company have  
been paying out £1,000,000 for any length  
of time they will seek under serious consider-  
ation the advisability of cutting down the  
number of ships which are sent to Port Darwin.  
Es' iminder that the P. & O. Company send as  
many ships as possible to the port, it will be  
more difficult if the trade desired from Port  
Darwin will compensate for such an expensive  
outlay. It can be done if the Resident watches  
the course of events carefully, so as to be ready  
to come to terms at any time with shipowners  
who might see signs of avoiding the port in  
order to save the light dues, which is only  
a few pence per ton and little, if any, payment  
of any outward dues, will induce owners to  
put in at Port Darwin while they require a  
liability of £12 or £15 for a light, which, by  
the way, none of them can see the utility of.

The U.S. steamer *Baltimore* left yesterday for  
Shanghai.

As will be seen from Router's telegram,  
Chief Justice has been created a knight.  
The community will be pleased to hear of this well  
deserved honour having been conferred.

The *Hedgehog* says foreign circus managers  
intend to establish permanent wintering-places  
in Japan to save to the local audience  
the trouble of exercising their calling outside  
limits in Japan.

During December there were 75 in-patients  
treated at the Alice Memorial Hospital and at  
the Nethersol Hospital the number was 47 and  
153 respectively.

The arbitrators in the *Salsaz-Soochow* col-  
lapse case at Shanghai came to the unanimous  
conclusion that the *Soochow* was in fault. Capt.  
Martin having misinterpreted a signal of the  
*Salsaz* and improperly ported at the last  
moment. The China Navigation Company will  
therefore have to bear all the expenses which it  
is estimated will not be less than £10,000.

According to the Native papers quoted by the  
*Mercury* a new Hawk Spinning Factory had  
made a contract with Messrs. F. M. Schulte &  
Co., and Messrs. Arnold, Karberg & Co., of  
Shanghai, to supply all the necessary machinery.  
The building is to be finished some time next  
summer. It is stated that the bargain money has  
already been paid, and contracts for other ma-  
chinery made.

The band of the Hongkong Regiment is making  
rapid progress under the conduct of Mr. Murphy, and is now able to perform danc-  
ing satisfactorily. We understand that they  
played a dance given by the members of the  
G.I. Lancers on the 31st ult., this being  
their first appearance in a dance, and the  
opinion of the dancers was that they kept  
time beautifully, and played in good taste and  
harmony.

## "KEATING'S LOZENGES."

"A SIMPLE FACT ABOUT" KEATING'S COUGH LOZENGES. Ask throughout the world, many inquiry concerning the use of these Lozenges. There is absolutely no remedy that is so speedy in giving relief, so certain to cure, and yet the most delicate can take them.

## "A TERRIBLE COUGH."

"91, CANTON, and 100, PEKING, July 12, 1893. Dear Sirs, I am sorry to express my feelings, but I should like to know, Your Lozenges have done wonders in relieving my terrible cough, and in the last operation at Tracheotomy, the same as the day before, I was perfectly relieved. I thank God, I still did well performed at St. Bartholomew's Hospital, one and one-half years back, and I am still in good health. The man who was very expious and hard, has been soft, and I have been able to get rid of it without difficulty.—I am, sir, yours truly, J. H. KEATING."

## "UTTERLY UNRIVALLED."

The above speaks for itself. From strict inquiry, it appears that from time to time, Keating's Cough Lozenges are the best remedy in the world. They are the same as the day before, I was perfectly relieved. I thank God, I still did well performed at St. Bartholomew's Hospital, one and one-half years back, and I am still in good health. ## "WEIGHT IN GOLD."

WEIGHT IN GOLD. Under date Sept. 4th, 1893, Mr. Hill again writes: "I should long time have been dead, but for your Lozenges—they are worth their weight in gold. I will gladly see and tell anyone what a splendid cough remedy you have." The man who was very expious and hard, has been soft, and I have been able to get rid of it without difficulty.—I am, sir, yours truly, J. H. KEATING."
